Dear Sir/Madam,

RE: APPLICATION FOR IT ASSISTANT

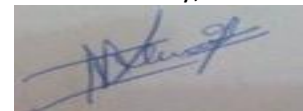

My name is Kenneth Mwangi Thumi, a Computer Science graduate from Kenyatta University and a resident of Laikipia County.

I am all-round IT guy given that I have explored many possibilities that come with my course learning. I have numerous skills from IT support, Networking and even programming. I have an experience of over 1 year in various sectors including freelancing.

Given that I'm a person who has a huge heart for wildlife I decided to apply for the opportunity bearing a positive mind that you may consider it. I'm passionate, hardworking and a person with highest level of professionalism.

I'd be grateful if granted an opportunity to help your ICT department. Attached find a copy of my resume.

Yours faithfully,
